

WILL COUNTY HEALTH DEPARTMENT & COMMUNITY HEALTH CENTER

June 17, 2008

Will County Health Department STD Services Are Expanding

The Will County Health Department has added another provider for Sexually Transmitted Disease (STD) services. These services were added due to the continued growth of Will County and in response to the recently released statistics that one in four teens contracts an STD each year, and one in two Americans will contract an STD during their lifetime. In addition to the Will County Community Health Center, the Family Health Services STD section will now collaborate with the University of St. Francis (USF) Health and Wellness Center for the delivery of STD services.

Beginning Monday June 30, 2008, the University of St. Francis Health and Wellness Center will provide testing and treatment for Sexually Transmitted Diseases (STDs). The University of St. Francis STD clinic hours are: Mondays 9:00am - 4:00pm and Thursdays 11:00am - 6:00pm. To make an appointment please call 815-774-9037.

Services will continue to be available at the Will County Community Health Center during their regular operating hours: Mondays and Wednesdays 7:30am - 4:30pm, Tuesdays and Thursdays 7:30am - 8:00pm, Fridays 7:30am - 12:00pm, and Saturdays 8:00am to 1:00pm. Please call 815-727-8670 for an appointment.
