

Vision of Will County: In Will County every life has value. All individuals have the opportunity to realize their full potential and to achieve the highest quality of life. We are a community rich in diversity, where involvement and commitment have deep roots among our residents.

We strive to be a progressive community that maximizes the use of community partnerships and collaboration among all sectors to ensure, enhance and promote comprehensive, quality and equitable education, healthcare and social services.

Vision Statement for implementing MAPP Project (from NACCHO):
Communities achieving improved health & quality of life by mobilizing partnerships & taking strategic action
